

Spring 2021 SYNAGRI Discount Program

DEKALB Corn-Soybean Seeds

The strong grain market offers exciting opportunities!

- Would you like to adapt your crop plan to profit from the grain price situation?

Contact your Synagri representative to maximize your earnings.

They can help you by...

- Telling you about Synagri's new **Spring DEKALB Corn-Soybean Seeds Discount Program**
- Providing information on our available corn and soya seed inventory
- Supporting you in calculating the cash margin per type of crop for an optimal selection

By combining this program with other programs from

BAYER,

you can get

EVEN

MORE!

See other programs and conditions
